People with incontinence issues can

on

United Way of Clinton County

You can help provide comfortable and effective bladder control protection for both men and women.

Please donate *any brand*

incontinence products

to help those in need!

People with incontinence, the involuntary loss of bladder or bowel control, shouldn't feel embarrassed or alone. It affects over 19 million people in North America. It is not a disease, and it is not an inevitable part of growing older. Incontinence is always a symptom or side effect of another medical condition. Help is available! Incontinence can often be cured, and it can always be managed.

Donated items will be distributed by United Way partner agencies

Available at:

Community Action Senior Center, Sabina Senior Center, Port Williams, Lumberton Senior Center, New Vienna Senior Center, Community Care Hospice, and Clinton County Adult Day Center
